Highlights

The two-day Global Smart City Summit came to its end successfully on December 16th. During the summit, not only the leaders of different cities shared their experience in operating smart cities, the distinguished guests from government, academia, and industry also communicated their knowledge. The foreign guests were treated leaving great and impressive memories of Tainan in their hearts.

1 Before having the dinner, the mayor and the deputy mayor accompanied the distinguished guests watching the glove puppetry and the face-changing of Sichuanese opera. The foreign guests not only enjoyed the performances a lot, but also the snacks of Tainan treated after the performances.

2 The distinguished guests took pictures for memory after seeing the collections at Chi Mei Museum.

3 After finding their home at other places on Earth through the interactive map produced by Chi Lin company, the foreign guests took pictures happily with their home!

4 While experiencing the smart living products, the foreign guests showed extrordinary interests in the bicycle platform and they even tried to exercise at the stand!

5 Having a walk with the foreign friends at the Chihkan Tower and the night market.

6 The Eindhoven deputy mayor's dresses during these three days were designed by the designers of Netherland, which were known for their innovation, feeling of modern and sense of humor, making others impressed.

7 The wife of the Dubuque mayor has showed her elegant temperament, accompanying with the mayor tenderly all the time during the three days.

8 The deputy mayor of Helsingborg, Sweden, always dressed his suite and shoes neatly and smiled gently during the summit.
