● **Earthquake**
Taiwan is subject to severe earthquake. Everyone needs to have an emergency plan for dealing with the aftermath of an earthquake. Visit the website of Central Weather Bureau at <http://www.cwb.gov.tw/> which has useful advice about what to do before, during and after an earthquake.

● **Typhoons**
The typhoon season in Taiwan normally runs from May to October, sometimes resulting in local flooding and landslides. Please listen to Typhoon Alert on ICRT (100.7FM) or monitor typhoon tracking information at <http://www.cwb.gov.tw/>
