# 武東里武東二街42巷清掃孔開鑿及無孔浪管埋設工程

 A photograph showing the site before construction. A concrete wall is on the left, and a yellow utility pole is on the right. The ground is dirt and asphalt.	<p>(說明)：</p> <p>施工前</p>
 A photograph showing workers in white hard hats and safety gear working on the site. They are using tools to dig and lay out a pipe. There are white buckets and a blue toolbox nearby.	<p>(說明)：</p> <p>施工中</p>
 A photograph showing the site after construction. A concrete slab with a metal grate is installed in the ground, covering the pipe. The yellow utility pole is still visible on the right.	<p>(說明)：</p> <p>施工後</p>
